

Agido

Agido Management Consulting AB,
Company presentation 2024

"Contributing to more efficient organizations and businesses for a thriving society"

At Agido Management Consulting AB, we are a vibrant Swedish consulting firm dedicated to enhancing business development and system implementation.

Our strength lies in our ability to work hand-in-hand with clients, integrating and tailoring processes, organizational structures, and digital solutions to achieve optimal outcomes. We are driven by a vision of improving society through a blend of human expertise, digital innovation, and a commitment to sustainable development.

Our mission is to contributing to more efficient organizations and businesses for a thriving society.

We take pride in our team of seasoned senior consultants, who bring a wealth of knowledge, integrity, and proactive leadership. Their diverse backgrounds in management and IT are the cornerstone of Agido's success. We specialize in supporting organizations and businesses with a strong social impact, serving both public and private sectors with passion, expertise, and insight.

Thank you for considering Agido. Join us in shaping the future where strategic leadership meets deep professional transformation. At Agido, we are committed to excellence and driven by a genuine desire to make a positive impact.

Our offer

Strategic Management Consulting

We provide expert guidance to help organizations navigate complex strategic challenges. Our tailored approaches ensure alignment with your long-term goals and enhance overall business performance.

Business Transformation

We specialize in transforming businesses by optimizing processes, structures, and technologies. Our focus is on driving significant improvements that lead to sustainable growth and operational excellence.

Digital Innovation

Our team helps integrate cutting-edge digital solutions to drive efficiency and innovation. We work closely with you to develop and implement strategies that leverage technology for competitive advantage.

Organizational Development

We support organizations in developing their human resources and organizational structures to achieve greater effectiveness. Our solutions are designed to enhance teamwork, leadership, and employee engagement.

Project Management

We offer comprehensive project management services to ensure successful project delivery. From planning to execution, we manage every aspect to meet your objectives on time and within budget.

Change Management

Our expertise in change management helps organizations navigate transitions smoothly. We focus on minimizing disruption and fostering a positive environment for change to achieve lasting results.

Our team

At Agido, our consultants bring extensive experience and deep expertise to our areas of specialization. We are dedicated to fostering long-term relationships with both our employees and clients.

We believe it's essential for our team members to feel seen, supported, and secure, with a strong sense of community and a healthy work-life balance. We strive to be a place where you truly feel that you belong.

We prioritize leveraging each consultant's unique skills and past experiences while focusing on the development of every individual. As a dynamic and rapidly growing consulting firm, Agido is committed to forward-thinking solutions and innovation.
